<p>Res. no. 2 (15)</p> <p>Importance of Mhedoi River for Goa & objection to its proposed diversion. During on 22/01/2023, village panchayat Dhargalim resolves to object to the proposed diversion of Mhedoi River for the following probable effect that will cause to the biodiversity of the areas surrounding the course of the basin of Mhedoi River thereby affecting all the rivers of the Goa as all they are interconnected.</p> <p>We strongly resolve that ensuring the existence of biodiversity is crucially dependent on Mhedoi water which will further enable us to ensure its conservation and sustainable. Nothing else will be possible if the existence of biodiversity itself will be under threat due to altering the flow of the Mhedoi River by the Government of Karnataka or any other agencies! And proposed for not to initiate any action towards the diversion of Mhedoi River without proper assessment of the probable effect on the biodiversity in case Mhedoi River is diverted and this assessment is to be done with the help of the authorities of international union of conservation of nature (IUCN) international organization that help conserve biodiversity and ecosystem.</p> <p>This resolution is unanimously approved by all the Green table members of village Panchayat Dhargalim which were present for the meeting.</p>
